**Tuesday**  
**September 19**  
**9-4 Held in Melbourne**

**Wednesday**  
**November 15**  
**9-4 Held in Melbourne**

**At no time is a helping hand more important than when our loved ones are undergoing a life-limiting illness. Hospice volunteers are concerned and caring people who generously donate their time, effort and talents to hospice patients and their families when help is needed most.**

**Opportunities for volunteers exist in a variety of different areas including Patient/Family Support, Community Outreach, Special Events, Clerical, Bereavement, Transportation, Pharmacy Delivery and at our William Childs Hospice House.**

**To become a Hospice of Health First Volunteer, it is required to attend a full day training. Class is held to accommodate different parts of the county, but actual volunteering will be close to your home ☺**

**For more information or to pre-register, please call a Volunteer Coordinator @ 321-434-1744**

**Health  
First**  
**Hospice**  
**of HEALTH FIRST**  
*Licensed to serve since 1985*
