

Please Contact Senate President Gaetz and Senator Thrasher Regarding Foreclosure Bill--CALL Alert for April 30, 2013

Time is running out for the foreclosure bills (HB 87/SB 1666). The House bill, HB 87, passed the House yesterday and has been referred to a number of Senate committees. The Senate bill, SB 1666, is still in the Appropriations committee. Therefore, the bills need to be removed from their committees and placed on the special order calendar. Please send an email to Senate President Gaetz and Rules Chair Thrasher as follows:

"Please remove HB 87 and SB 1666, the mortgage foreclosure bills, from their committees of reference and place on the special order calendar. Community associations have been prejudiced by unnecessary delays in the foreclosure process and the bills will give them some tools to move cases forward that are ready for a final judgment. Please support community associations by allowing these bills to be voted on by the Senate."

Please make sure to sign your name and the name of your community association.
